EXPERIENCE

SELF-EMPLOYED

Software Engineer

Remote
2023 – Present

- Designed and developed responsive websites using React.
- Participated in Agile processes including daily standups, demos and retrospectives.
- Ensured the integrity of interactions and maintained consistency throughout the project development.
- Participated in code reviews and provided constructive feedback to team members.
- Introduced performance optimization techniques, such as lazy loading and code splitting, leading to a 30% improvement in page load times and enhancing overall user experience.

MICROVERSE

Student Mentor

Remote
February 2023 – December 2023

- Mentored and provided guidance to students in the Microverse software development program.
- Conducted code reviews, offered constructive feedback, and assisted students in problem-solving.
- Facilitated discussions and workshops to enhance students' understanding of software development concepts.
- Contributed to the continuous improvement of the mentoring program through feedback and suggestions.

ESSENTIALS SUPERMARKET

Sales Associate

Enugu, Nigeria
April 2018 – September 2021

- Mentored 5 junior sales associates, helping them achieve their sales targets and fostering a sense of teamwork.
- Spearheaded employee engagement initiatives, resulting in a 20% increase in overall employee satisfaction scores.

EDUCATION

MICROVERSE SOFTWARE DEVELOPMENT BOOTCAMP

February 2023 – December 2023

Remote Full Stack Web Development Program, Full Time

- Spent 9+ daily hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux.
- Developed skills in remote pair-programming using GitHub, industry-standard git flow, and daily standups to communicate and collaborate with international remote developers.
- Developed and implemented front-end features, showcasing a commitment to user-centric design.

FAR EASTERN UNIVERSITY

June 2012 – May 2016

Bachelor of Science, Business Administration - Business Management

- Conducted thorough research into how modern digital marketing influences consumer decision-making processes.
